Dear John,

Re Acoustic in **the hall**

My thanks for the work carried out in our hall. The result is excellent and we now have a valuable facility which can be used to its full potential for all types of lessons and productions. We no longer have to strain ears to pick up children's voices and conversely they can clearly hear us.

I know that the work did have its problems, what major work doesn't?, but I thank you for your swift action and attention to every detail which has resulted in a job well done and to our complete satisfaction.

I have sent all your invoices to our accounts at County Hall for full payment.

Incidentally I am happy for us to be a 'show house' and for others in the same predicament to inspect your work. I have already recommended you to at least two other interested parties.

My thanks again.

Paul Sparkes
