Dear Mr Hancock,

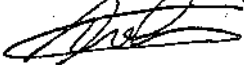

We would like to take this opportunity to tell you how very impressed and satisfied we are with the SonaSpray installation which you have recently installed

The noise level has dropped dramatically to beyond our expectations and has also improved the decor of the restaurant tremendously.

The work was completed quickly and with the minimum of fuss and to a professional degree.

We would have no hesitation *in* recommending the company to potential clients.

Yours sincerely,

Simon Nissim
Managing Director
